Rules and Regulations

1. Have fun.
2. All participants must register prior to or by 5:00PM on Sunday 03/05/2019, either on-line or in person. Entry forms can be obtained at The Winery or on-line at www.DaydreamerIdol.com.
3. All participants will choose their choice of songs from our "karaoke" library; for the first evening of the competition, contestant will submit via E-mail three choices of song in order of preference – song requests will be verified ahead of time by contest staff; any additional songs not found in our library can be provided by the participants as long as they are in a compatible format.
4. Performers will be given at least one song per night as long as they remain in the contest. Your song choice for the following Tuesday evening's competition must be given to our staff at the conclusion of each week's program to allow for our preparations.
5. Performers must attend every week of competition (10 weeks). If you miss a particular week, your following week's total score will be reduced by the number week you missed. example: miss week #5...on week 6 your evening's total score will be reduced by 5 points.
6. Performers will be judged on vocal ability, stage presence and originality (song styling, song choice).
7. The judges (three) will count for three-quarters of the vote with the other quarter provided by audience vote – a counting of raised hands in house.
8. Judges will rate and award contestants on a scale from 1 through 10. Audience votes will be counted as such: Every 10 (ten) hands raised to vote for contestant will count as 1 (one) point of final score. Example: 30 (thirty) hands raised, equals 3 (three) points, 32 (thirty-two) equals 3.2. The total of audience votes will be counted as the rating of a fourth judge. So, every single vote of your family and friends is counted and does matter!
9. The Judges decision is final.
10. Each week (before Finals week) a certain percent of the participants will be asked to leave the competition determined by either their lack of points or a percentage of the number of initial participants.
11. Each week the field will get tighter, only 5 (five) contestants will make it to the grand finale to be held on Tuesday May 07, 2019.
12. A special wild card night may be inserted in the course of the contest (TBD) to allow new word of mouth participation by fresh talent. It will be a special event where one or more contestants will be added to the field for however long they last. This talent will be at a disadvantage to the established performers via a point or voting system. Producers also reserve the right to insert additional contestants into the pool of talent at any time.
13. All ties will be decided by a special tie breaker vote of the judges.
14. Prizes will be awarded by The Winery upon completion of competition on Tuesday May 07, 2019.
15. Venue and Producers have the right to cancel the program at any time due to lack of participants, poor attendance, etc. In the event of the shows cancellation, prizes will not be awarded.

Hello Idol Contestants,

Thanks so much for registering for this season of Daydreamer Idol at The Winery at St. George. This should be a fun season and we are all looking forward to hearing you sing. Some of you are new to this program and others have been with us before. Here are just a few notes to make your Idol experience and opening night the best it can be.

We need you to send us a listing of three songs in your order of preference to perform on opening night. You will only be performing one number and we will try our best to ensure that we have your first choice available. Please get these songs to us no later than Sunday March 3 by noon. The sooner you send us your choices, the better chance you have of getting your first pick. Also, if we do not have your song in our library, it will give you time to find a replacement. You can bring your own file with you if we do not have it but you *****must first contact us to verify it is a compatible format.**

We have some fun theme nights coming up and that list along with a breakdown of the entire season is being sent along with this mail as an attachment. Please use this schedule to plan your strategy.

Each week contestants are required to stay for the duration of the evening's show. You must present yourself to one of the judges at the end of the evening to give them your song selections for the following week. If a contestant leaves early and does not inform the judging panel of your next week's selection, the judges will choose a song for you to perform and you may be penalized points. It is not only necessary for the smooth running of the show, but exhibits good sportsmanship when you are there to support your fellow contestants who may be singing at the end of the evenings lineup.

As in previous seasons each week's program will be filmed and the top five (5) contestants will have their videos posted on the show's website. Your individual performance videos can be purchased from us in DVD format for \$10.00 each upon request.

The Winery at St. George is a wonderful, historic and unique venue for this season's show. This menu is family-friendly and very affordable. Admission to the show is \$5.00 which will give you a ticket and chance to win some great door prizes each week. Table seating is limited so there is a \$10.00 minimum per person to be seated at a table. A program like this can only continue and be presented with the support of you, your family as well as friends and fans. Please encourage your followers to dine and drink while in the venue each week watching you perform. A program like this is costly and time-consuming to a venue so please, show your support to The Winery for giving you this great opportunity.

The show will start each week at 7:30 PM and all contestants must be in the venue and signed in by 7:10 PM. Latecomers will be penalized by a point system and may not be permitted to sing that week. It is imperative to be at the venue each week on time. If you are bringing your own file or disc to sing to you must be in the venue by 6:45PM to allow enough time for us to check and ingest your file into our system for the evening's show.

Please visit the show's website and review your rules and regulations which you were given when you signed up. We plan on bringing in a lot of special guests this season to not only perform but as guest judges allowing you the opportunity to showcase your talent to individuals that may help further your career.

We still have spots open for more singers and would welcome anyone you may encourage to participate. Registration can be done via the website or by calling our office during business hours at 914-245-5486. Thank you so much once again for taking part in this fun family program if you have any questions or concerns please feel free to write or call us anytime. Time permitting your selections for the week can sometimes be emailed to you so that you may practice to the actual track you will be performing to.

Good luck to all. We will see you on opening night Tuesday March 5th!
